DOMESTIC AND INTERNATIONAL TRANSPORT & SHIPPING

Welcome,

On behalf of the MLTRANS transport company I turn to you with our shipping offer across the European Union.

Cooperation with our company will get you a 100% guarantee and satisfaction. We offer comprehensive transport services focused on customer needs. We are a modern and dynamic transport company with traditions that possess individual car fleet and experienced drivers as well as cooperate with proven and reliable carriers.

The profile of our activity is focused on the segment of transport and logistics. Features that distinguish us the most are primarily high-quality services based on safety, flexibility and speed of tasks being entrusted to us and the most importantly the ability to track your delivery status fast. At any time, you can contact our staff, get feedback and necessary assistance. Our goal is to provide you with the most appropriate solutions at a high level.

Our fleet consists of vehicles to 3.5 dmc, (no tachograph) which allow you to move without restrictions while driving at weekends or holidays in the entire Europe. **Our vehicles are equipped with a GPS system to monitor the order status 24/7 and to trace vehicles which greatly increases the security of our services.** We have a large fleet of trucks carrying from 8 to 12-euro pallets at dimension: 4,9 m long x 2,45 m wide x 2.7 m high. Box container trucks with tarpaulin, refrigerated interior and lifts. We also have 27-pallet trucks with size of 11.3 m x 2.5 m x 2.7 m with elevator loading. Our vehicles are designed to transport dangerous ADR materials.

You can rely on us to provide you with a shipping service from the beginning to the end of your load trip. The variety and diversity of our car fleet allows us to perform various and complex tasks. We manage our transportation as well as cooperate with other reliable carriers, thus offering solutions for almost every shipping needs from 1 kg to 27000kg on both Polish and European markets.

By becoming our business partner, you can be sure that your goods will reach their destination safely and on time.
